NRW-Semesterticket (VRL)

Information on the SemesterTicket NRW

The NRW local transport authorities offer a SemesterTicket NRW that is valid within the whole state of North Rhine-Westphalia. You are entitled to a SemesterTicket NRW if you are a student of a state-approved university that has an existing contract concerning the SemesterTicket NRW with the transport authority in charge.

This requires a regional semester ticket of the transport authority (e.g. VRR, VRL, OWL) responsible for the area in which the university is located. A SemesterTicket NRW can only be ordered as an addition to an existing regional semester ticket issued by a transport authority. Student authentication as well as the billing process are carried out each semester by the university.

Area of validity

The SemesterTicket NRW's area of validity is the same as the area of validity of the RelationspreisTickets of the NRW tariff in effect at the time of purchase. The semester ticket NRW enables you to travel beyond the area of validity of regional semester tickets and through all of NRW.

You can find the tariff conditions and the outline map [here](#).

Students of the FH Südwestfalen's Hagen branch can find their Semesterticket NRW/VRR [here](#).

1.2 Registration in the NRW Ticketshop

We recommend that you register with the Deutsche Bahn. You will need a valid e-mail address for this and your password will be sent directly to it. In the future, you can then log in directly with your e-mail address and password.

Alternatively, you can download the ticket without registering. In this case, however, you will have to re-enter your personal data every semester.

Even without registration, you must enter a valid e-mail address at this point. Every student will receive a link to his or her semester ticket in an e-mail. This way you can print out your ticket again at any time.
