If you are unsure whether you will be able to come to Germany this October, **rest assured that you can start your course on time**. All our lectures are still taking place even under the current difficult circumstances. You can access them from anywhere - even if you are not yet in Germany!

In the winter semester 2020 you will have the unique opportunity to complete your first semester in a digital format, with plenty of room for reflection and individual support. **You will be able to follow the lectures taking part in Germany online**, in the form of live and interactive video chats together with students from all over the world! And at the right time for you, you can seamlessly continue your studies in Germany. Come and meet all your professors and fellow students in person. And of course, experience student life in Germany!

So your mandatory tasks to study at our university are:

- 1. Apply at our university via the application portal (as soon as possible)**
- 2. Sign the contract and send it back to us (as soon as possible)**
- 3. Pay the whole fees for full-time course in advance (as soon as possible)**
- 4. Choose digital format, if required (as soon as possible or latest until Aug. 31st 2020)**

Only if you decide to **start** your studies in a digital format (here is the process: <https://www.srh-campus-rheinland.de/en/study-master/international-business-and-engineering-fulltime/>) **we will refund you 1,500 €** as soon as you arrive in Germany!

What do you say? Are you in? **Then let us as know soon as possible.**

We are looking forward to meeting you! If you have any questions, we'd love to hear from you. Don't hesitate to ask!

Best regards from Germany
